

Allocation of Kirkstall Harriers London Marathon Club Places

1. The member is able to provide sufficient evidence (letter or email addressed to themselves) that they have entered the London Marathon that year and been rejected through the ballot system and this will be considered as their application for a club place.

The committee will ensure members are given approx 4 weeks notice of the closing date to submit their evidence of rejection. This will include an email out to all members as well as being in the club newsletter and inclusion in notices at training. This will be done as soon as possible after the ballot has been drawn. The closing date for applications will be strictly enforced and no late applications will be considered. Verbal applications are NOT sufficient.

Closing date will generally be 4 weeks from the week the ballot is drawn.

2. The member should have been a member for at least 12 months from the closing date for applications for club places.
3. For all members who satisfy the above 2 criteria, the following will then be considered:
 - Have they had a club place previously? How many and how recently?
 - Have they run the London Marathon before?
 - General dedication to the club eg.
 - Participation in club events
 - Length of membership
 - Attendance at training
4. The Committee is able to allocate a maximum of one place a year to someone with special circumstances who may not meet the above criteria, over those who do.
5. Where there are more club places than members who have been rejected from ballot, club places will be made available to ALL members and a new deadline for applications set. The above criteria will still be used.
6. Committee decision is final.
