

LEEDS POSTAL HARRIERS

NEWSLETTER

DECEMBER 1988

Dear Member,

This should have been a 'Merry Christmas' newsletter with hand-painted mistletoe and holly around the edges but the way things are going, I think it will be hope you had a good Christmas and New Year!

To continue, first of all my apologies to John Hutchinson who I stated in the previous newsletter as completing the standard course for the Aireborough Triathlon, when in fact he actually did the elite course and quite successfully too!

As mentioned before this is normally the quiet road race period until March but as hopefully promised I have tried to list most of next years possible road races, in the area and some elsewhere, with the odd triathlon included. It is based on races which have occurred in 1988 and the months in which they took place. We should receive a fixture list from the NCAA early next year.

No doubt I've left some good races out, but the list was compiled with the information I had available. If somebody in the know would like to produce a cross country/fell race list I'm sure we could circulate it.

Our AGM will be held at the LPSA Club at Beecroft Street on Monday 23rd January 1989. Please see attached agenda sheet. Please come if you can as only members present can vote. There is also a tear-off nomination slip so that you can propose any member for any committee post. This slip can be handed in on the night. All being well, the meeting will commence between 8.30 - 8.45 pm.

Congratulations to those of you that have been successful in entering the London Marathon in 1989. Hopefully a weekend trip will be organised again by Moyra Thomas who did a grand job this year, enquiries are already underway.

For those of you that are LPSA Club affiliated members, the renewals are due for membership as from 1st January 1989, subscription being £2.30.

The next tenpin bowling evening should be on Wednesday 25th January at 9.30 pm. The bowling alley now requires 3-4 weeks notice of bookings so please let me know as soon as possible if you would like to go.

Until the next newsletter, I would like to wish you all a happy, prosperous and injury-free New Year.

Rodney Lewis

As last year I will be organising a trip to London for the marathon. I am currently investigating the possibility of two night stay in London with rail travel. At the moment the cost of this looks to be approximately £80 per person. Unfortunately we will be unable to stay in the same hotel as last year as it appears that it has been transformed into a businesspersons hotel.

If anyone is interested I would be grateful if you could let me have your names and £10 deposit as soon as possible as I understand from my travel agent that hotels are getting booked up even now.

Moyra Thomas
