

LEEDS POSTAL HARRIERS

OR

KIRKSTALL HARRIERS

NEWSLETTER DECEMBER 1995

Welcome to what will be a regular newsletter which aims to keep the members abreast of upcoming events (both running & social) while also reviewing the efforts of our membership in their recent endeavours.

My first job is to reiterate the decisions made at the recent E.G.M. held at the L.P.S.A. 8th November 1995.

1. With a view to attracting more members it was decided to change the name of the club to "KIRKSTALL HARRIERS" with possible closer links to the leisure centre. Members of the committee are to look in to the repercussions of this move re:- B.A.F regulations.

2. To encourage longer runs and a more organised training set-up it was decided to alter the starting times as follows:-

MONDAYS 7.15 PM.

WEDNESDAYS 6.30 PM.

3. The possibility of a notice board over at the leisure centre was suggested, to notify the members of up-coming events and training runs, while also allowing late-comers to be aware of the other runners whereabouts.

4. A new running strip and club colours are to be designed along with a new club logo and it hoped that these will be ready in time for discussion at the A.G.M. in January.

5. It was also a widely held opinion that more social events should be organised. With this in mind various events are currently being planned, more of which later.

Stop Press

We are hoping to arrange a weekend away, possibly in the Lake District early in the new year, but as the accomadation we had in mind is fully booked so we are in the process of finding alternatives and will keep you informed of events in due course.

In the the meantime we would appreciate an idea of the number of people interested in such an event.
