BOWLING NIGHT

Stuart is making arrangements for a bowling night on Saturday 16th April, with the possible following agenda

6.30 meet at Cardigan Arms

7.30 go bowling at the Vue centre, probably two games each

Those wanting a meal afterwards, mostly likely a curry at the Sheesh Mahal, can do so provided they inform Stuart as soon as possible in order to book seats.

Can people interested in the bowling and eating let Stuart know asap, so he knows the numbers interested.

Everyone and anyone can meet up in the Cardigan, even if not bowling or eating

Apologies to the London Marathon runners, but with other local races and holidays coming up, this is the best date we can cater for.

Hopefully other social occasions will follow shortly

SPORTSMAN AND WOMAN

The committee has selected the Sportsman and woman for 2004, after looking at the nominations, which included several worthy names for each category. These will be announced at our next Committee meeting which will be on the Monday 11th April

Many thanks to all those who put forward nominations

CROSS COUNTRY RESULTS

Please see the following documents for the results of this years Cross Country Winter League

MARCH 05 TIME TRIAL RESULTS

**NEW WEBSITE**

We have created a new website with a new address which reflects our status as a club and not a company i.e. .org as opposed to .co. We are currently in the process of replacing the old site with a redirection page. We welcome any feedback, suggestions, typos, whatever you may have - the site should reflect the club not just a few members input so **ANY** input you may be appreciated.

Here it be: www.kirkstallharriers.org.uk

CLUB "AWAY" KIT

When running overseas it is nice for people to know where you're from. To this end I'm gauging interest in an "away" kit. This would be the Harriers running vest with the legend "Leeds - England" under the Kirkstall Harriers name - this would be a separate piece of kit so will have to be bought at full price which will run approximately £14 - If there is anyone interested please contact Garrett at garreydr@yahoo.co.uk
